kitchen stays fresh and odor-free even during intense frying or grilling sessions. Perfectly tailored for Indian kitchens that often involve heavy oil-based cooking.

- **Wave Sanor Technology for Seamless Hands-Free Operation:** Control the chimney with a simple wave of your hand. The innovative wave Sanor technology not only enhances convenience but also maintains hygiene by eliminating the need to touch buttons while cooking.
- **Filter-less Technology for Superior Performance and Easy Maintenance:** Equipped with advanced filter-less technology, the chimney ensures uninterrupted airflow and eliminates the need for regular filter cleaning or replacement. This feature enhances efficiency and minimizes maintenance efforts.
- **Efficient Heat Auto-Clean Function for Hassle-Free Maintenance:** Say goodbye to manual cleaning! The chimney's heat auto-clean function uses thermal technology to remove grease and oil from the motor and interior walls, collecting it in a removable oil collector for easy disposal.
- **Multiple Speed Control Options for Custom Cooking Needs:** The chimney comes with multiple speed settings, allowing you to adjust the suction power as per your cooking requirements. Whether it's slow simmering or intense frying, this feature ensures optimized energy usage and maximum performance.
